This year, our Annual Report is dedicated to honoring the memory of three influential industry leaders who passed away in the past 12 months: former Roundtable Chair Nelson C. Rising (Co-founder & Chairman, Rising Realty Partners); former Roundtable Board member John C. Cushman III, (Chairman, Global Transactions, Cushman & Wakefield, Inc.), and perhaps the industry's foremost investor strategist Sam Zell (Founder & Chairman, Equity Group Investments). Each of these gentlemen embodied the Roundtable's ethic of clear-eyed dynamic analysis, unambiguous advocacy, and inspirational leadership. Their distinctive market and policy perspectives are sorely missed, and we are dedicated to carrying forward the solid foundations they laid, constantly striving to build upon them.
